The words "any provident fund approved in this behalf by the State Government during the continuance of such approval" used in section 7(2)(i) of the Payment of Wages Act would not permit of an order being made approving generally the funds as proposed by the Labour and Housing Department. The word "any" in the context implies that the Government is to approve a particular fund with reference to a particular factory. It would, therefore, be necessary to specify the provident fund of each factory by name. Before approving such fund Government should satisfy itself that the rules of such fund provide that the amounts of the fund shall be invested by the trustees in such securities as are specified in section 20 of the Indian Trust Act, 1932.

The area of jurisdiction of the Small Cause Court at Bombay is proposed to be included within the jurisdiction of the Commissioner for Workmen's Compensation, Bombay.

2. The area of jurisdiction of the Small Cause Court at Ahmedabad is proposed to be included within the jurisdiction of Shri P.D. Vyas, Judge, Labour Court Ahmedabad.

3. The High Court has recommended that in the area for which Labour Judges have been appointed, the Judges of the Small Cause Courts or Civil Judges should not be declared as authorities under the Payment of Wages Act and the other Act. This intention is made clear in the notification by specifying only two Courts of Small Causes at Poona and Baroda in entry 4 and by having a separate entry in respect of Civil Judges whose jurisdiction is not to conflict with the jurisdiction of any other officer.

4. Two revised draft notifications are sent herewith.
